To: John McDonough, City Manager
From: Ginger Sottile, Community Development Director
Date: September 26, 2018 for Submission onto the October 2, 2018 City Council Regular Meeting Agenda
Subject: Resolution for Transmittal of the Annual Capital Improvements Element (CIE) Update and an Amendment to the Capital Improvements Element

Department of Community Development Recommendation:

APPROVAL of a Resolution for Transmittal of the Annual Capital Improvements Element (CIE) Update.

APPROVAL of a Resolution for the Transmittal of an Amendment to the Capital Improvements Element.

Background:

The Annual Financial Report has been adjusted to reflect the 2018-2019 beginning balances, impact fees collected and accrued interest for each public facility type. The Work Program was updated to show funds transferred to park land acquisition from sidewalks projects the City will not pursue in the near future.

All local governments that utilize an impact fee system under the Georgia Development Impact Fee Act (GDIFA) must include a Capital Improvements Element (CIE) in their comprehensive plans and update the Capital Improvements Element (CIE) portion of their plan annually. The City of Sandy Springs is required to approve an annual update to a Capital Improvements Element and Short Term Work Program by October 31, 2018. Concurrently, the City is amending the Capital Improvements Element.

Discussion:

The State requires that only a draft be submitted and that the local governments not take any official action to adopt or put into effect a CIE prepared in accordance with the Development Impact Fee Compliance Requirements until at least 60 days after the CIE is first submitted to the regional development center for review (the Atlanta Regional Commission). The draft of the annual update of the Capital Improvements Element and Work Program has been prepared by Staff in accordance with the Development Impact Fees Compliance Requirements and the Minimum Planning Standard and Procedures for Local Comprehensive Planning established by the state of Georgia.

The Amendment to the CIE involves the removal of the following four Parks and Recreation sidewalk projects, as their funding is now being provided by alternative sources:

1. Roswell Road Sidewalk Project	\$1,000,000.00
2. Sandy Springs Circle Sidewalk Project	\$1,000,000.00
3. Dudley Lane Sidewalk Project	\$ 755,500.00
4. Brandon Mill Sidewalk Project	<u>\$1,486,875.00</u>
 TOTAL	 \$4,242,375.00

This amount has been dedicated to Parks and Recreation for Park land acquisition.
