**Re: Early Coordination Request for Federally Funded Projects TE-0006-00(566) & STP-0006-00(887), Dekalb County, P.I. Numbers 0006566 & 0006887, EPEI Project Number PND0502**

Dear Chairman Olens,

Edwards-Pitman Environmental, Inc. has contracted with the Georgia Department of Transportation (GDOT) to assist in the preparation of the environmental documentation for the referenced project. The project numbers represent the construction of Lithonia, Georgia streetscape improvements. The improvements would connect existing sidewalk segments along Evans Mill Road/Main Street from Covington Highway to Stone Mountain Street. The project length would be approximately 0.52 mile. The project location is shown on the enclosed figure.

The design for the project is being developed concurrently with environmental documentation and in compliance with applicable environmental laws and regulations. This process, developed GDOT to make our projects responsive to social, economic, and environmental concerns, offers you the opportunity to identify site-specific conditions to be addressed in the environmental assessment.

Please advise us of any known project area conditions of special concern. With your assistance, we can give these issues due consideration and integrate them into the development of the project alignment and design.

Your cooperation is appreciated. If you have any questions or need additional information, please contact me at (770) 333-9484.

Sincerely,

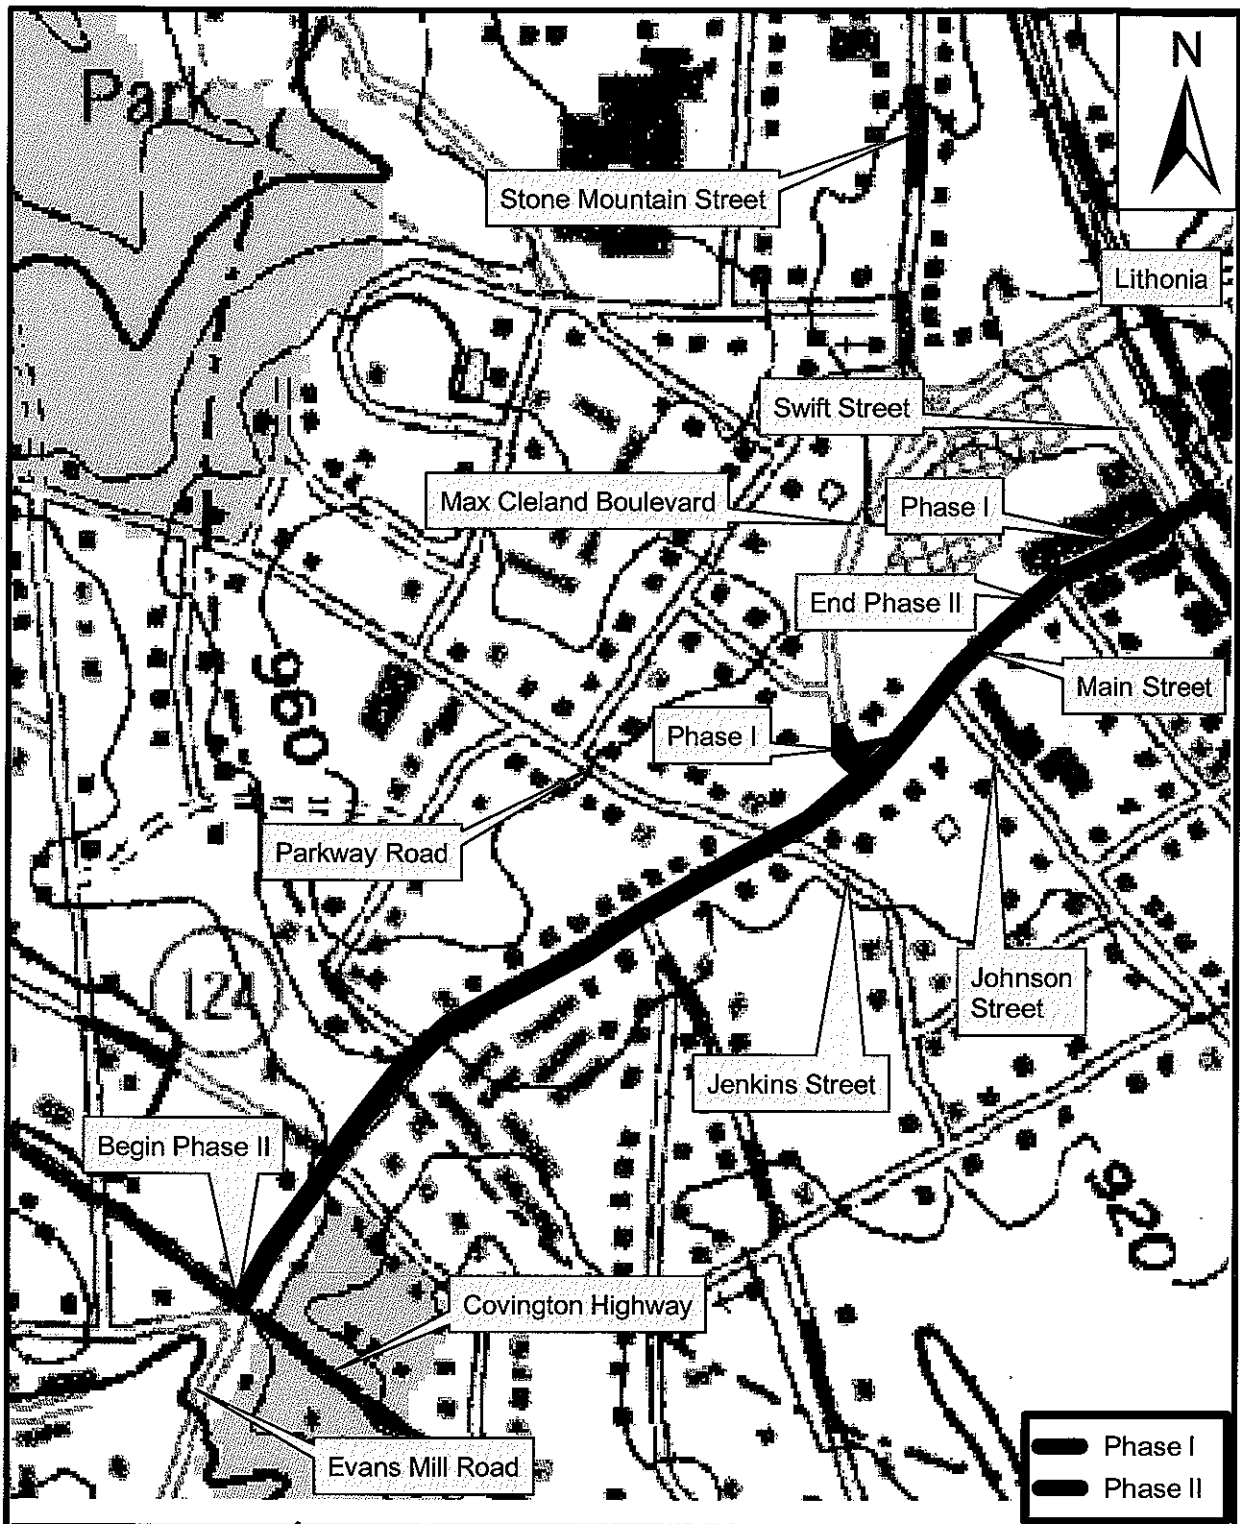

A handwritten signature in cursive script, appearing to read 'Josh Earhart'.
