### **Re: RC-07-02DC – 3529 Old River Road**

Dear Ms. Fleming:

Thank you for the notice concerning the proposed development in the Chattahoochee River Corridor proposed in Douglas County for the development of private pool at 3529 Old River Road.

The proposed development is in the vicinity of, but not abutting Cobb County and does not appear to significantly impact shared waterways, water quality, or drinking water supplies, which are important uses on this river corridor.

In conclusion, we do not believe the development of a private pool at 3529 Old River Road will have an adverse impact on Cobb County. Thank you again for the opportunity to comment on this proposed development.

Best regards,
