The Atlanta Regional Commission (ARC) has received the following proposal and is initiating a regional review to seek comments from potentially impacted jurisdictions and agencies. The ARC requests your comments related to the proposal not addressed by the Commission's regional plans and policies.

Name of Proposal: National Recreational Trails Program: City of Roswell–Old Mill Park Restoration and Trail

Review Type: Parks and Recreation

Description: The proposed renovation will stabilize an existing pathway and construct a new trail linking 4 parks or recreational areas. The existing pathway is not user friendly or ADA compliant due to severe slope and erosion. The renovated trail design will provide a new passive recreational opportunity for both young and older adults and will surpass current ADA requirements for recreational trails. The new trail and boardwalk design will provide access to the Vickery Creek dam, the Historic Mill Ruins and Machine Shop, the Oxbo Linear Park and the Vickery Creek Unit of the National Park Service's Chattahoochee River National Recreational Area.

Submitting Local Government: City of Roswell

Action Under Consideration: Approval

Date Opened: Apr 20 2007

Deadline for Comments: May 1 2007

Earliest the Regional Review can be Completed: May 1 2007

IMPORTANT! REVIEW COMMENTS DUE BY OR BEFORE: 5/1/2007

A copy of the Standard Federal Application package, Environmental Information, or Direct Federal Development project is enclosed for your review and comment. Your review should focus on the projects compatibility with those state or regional goals, policies, plans, fiscal resources, criteria for Developments of Regional Impact (DRI), environmental impacts, or inconsistencies with federal executive orders, acts and/or rules and regulations with which your agency is concerned. Negative environmental impacts or provision for protection of the environment and possible duplication of the proposed project with programs presently in place should be pointed out.

Any major points of conflict identified by you during the review process immediately should be brought to the attention of the Administrator, Georgia State Clearinghouse. The Administrator will attempt to mediate these concerns prior to completing the review of the project. The Clearinghouse telephone number is (404) 656-3855.

Please have your comments typed (or hand-printed) and dated on the enclosed Form SC-3. An additional sheet may be used if additional space is needed. Your comments will be summarized in a single state position or a composite that reflects both the state and regional recommendations and be returned to the applicant/sponr. They in turn will forward a copy to the federal agency if necessary.
