**IMPORTANT! REVIEW COMMENTS DUE BY OR BEFORE: 6/19/2007**

A copy of the Standard Federal Application package, Environmental Information, or Direct Federal Development project is enclosed for your review and comment. Your review should focus on the projects compatibility with those state or regional goals, policies, plans, fiscal resources, criteria for Developments of Regional Impact (DRI), environmental impacts, or inconsistencies with federal executive orders, acts and/or rules and regulations with which your agency is concerned. Negative environmental impacts or provision for protection of the environment and possible duplication of the proposed project with programs presently in place should be pointed out.

Any major points of conflict identified by you during the review process immediately should be brought to the attention of the Administrator, Georgia State Clearinghouse. The Administrator will attempt to mediate these concerns prior to completing the review of the project. The Clearinghouse telephone number is (404) 656-3855.

Please have your comments typed (or hand-printed) and dated on the enclosed Form SC3. An additional sheet may be used if additional space is needed. Your comments will be summarized in a single state position or a composite that reflects both the state and regional recommendations and be returned to the applicant/sponsor. They in turn will forward a copy to the federal agency if necessary.

***NOTE: Please do not return this SC-2 form or the full material back to this office. Keep the copy for your files or dispose of if not needed.***
