- **Windy Hill Rd/Terrell Mill Rd Connector – new 4-lane, median divided roadway**

Windy Hill Road Corridor

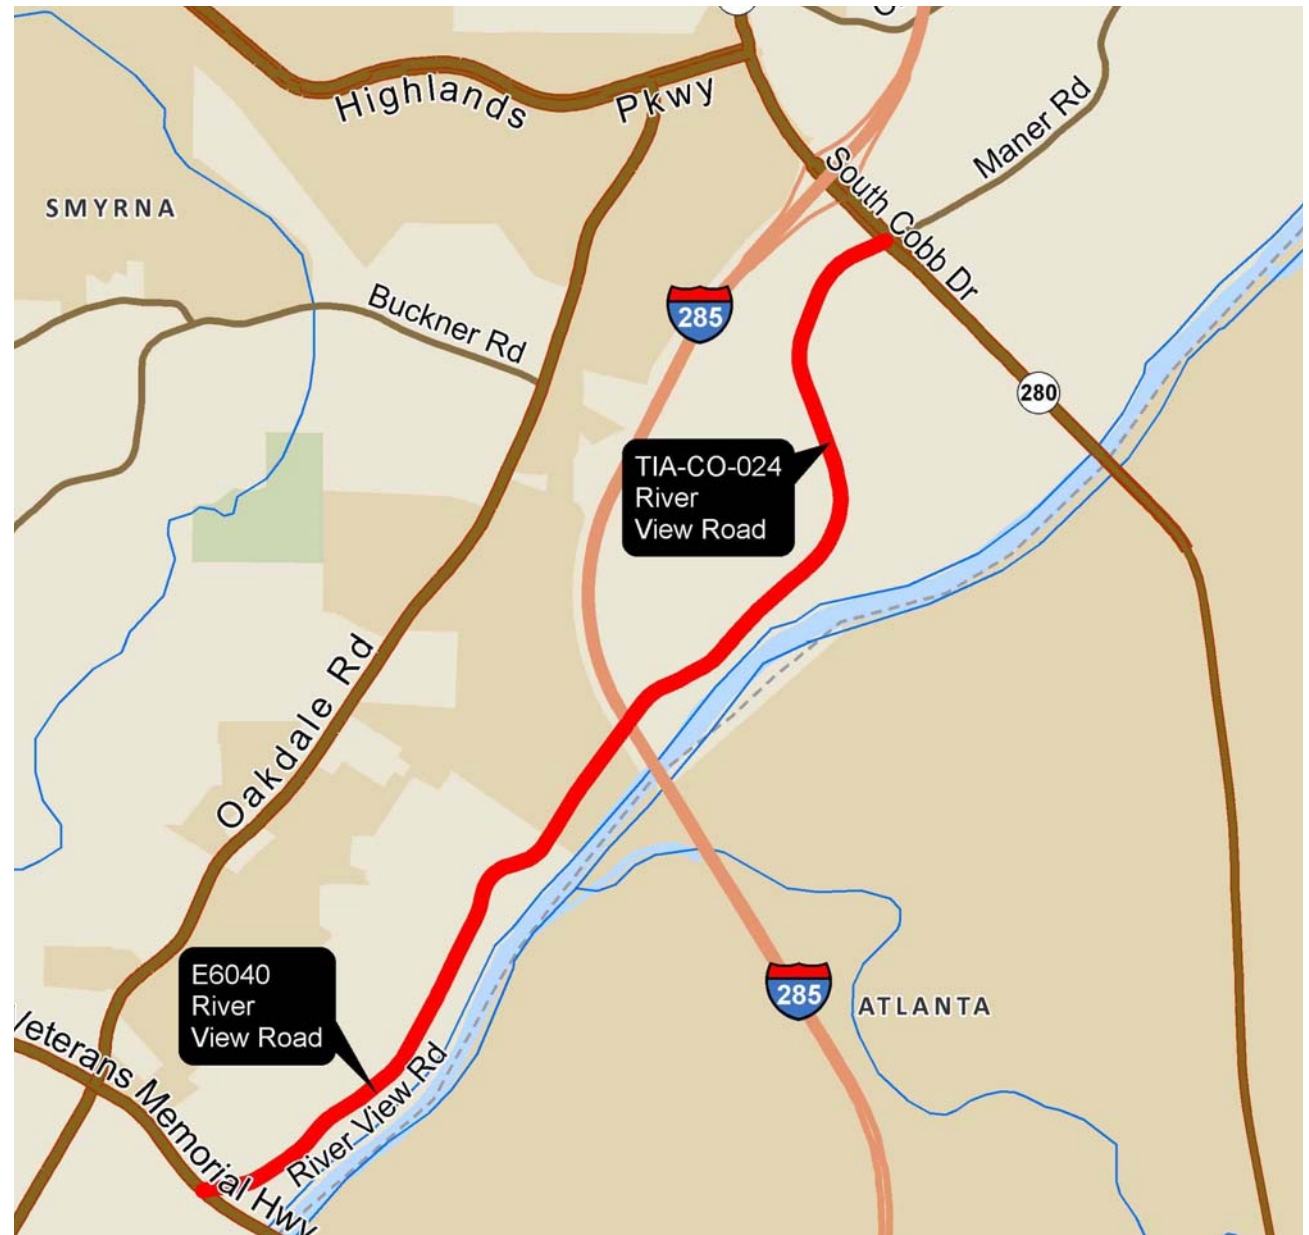

Windy Hill Road Corridor

River View Road

- Serves a mixed use area (extensive freight use)
- Proximity to Chattahoochee River and low elevation creates standing water during heavy rains
- Safety and traffic will benefit from turn lanes, drainage, and other road improvements

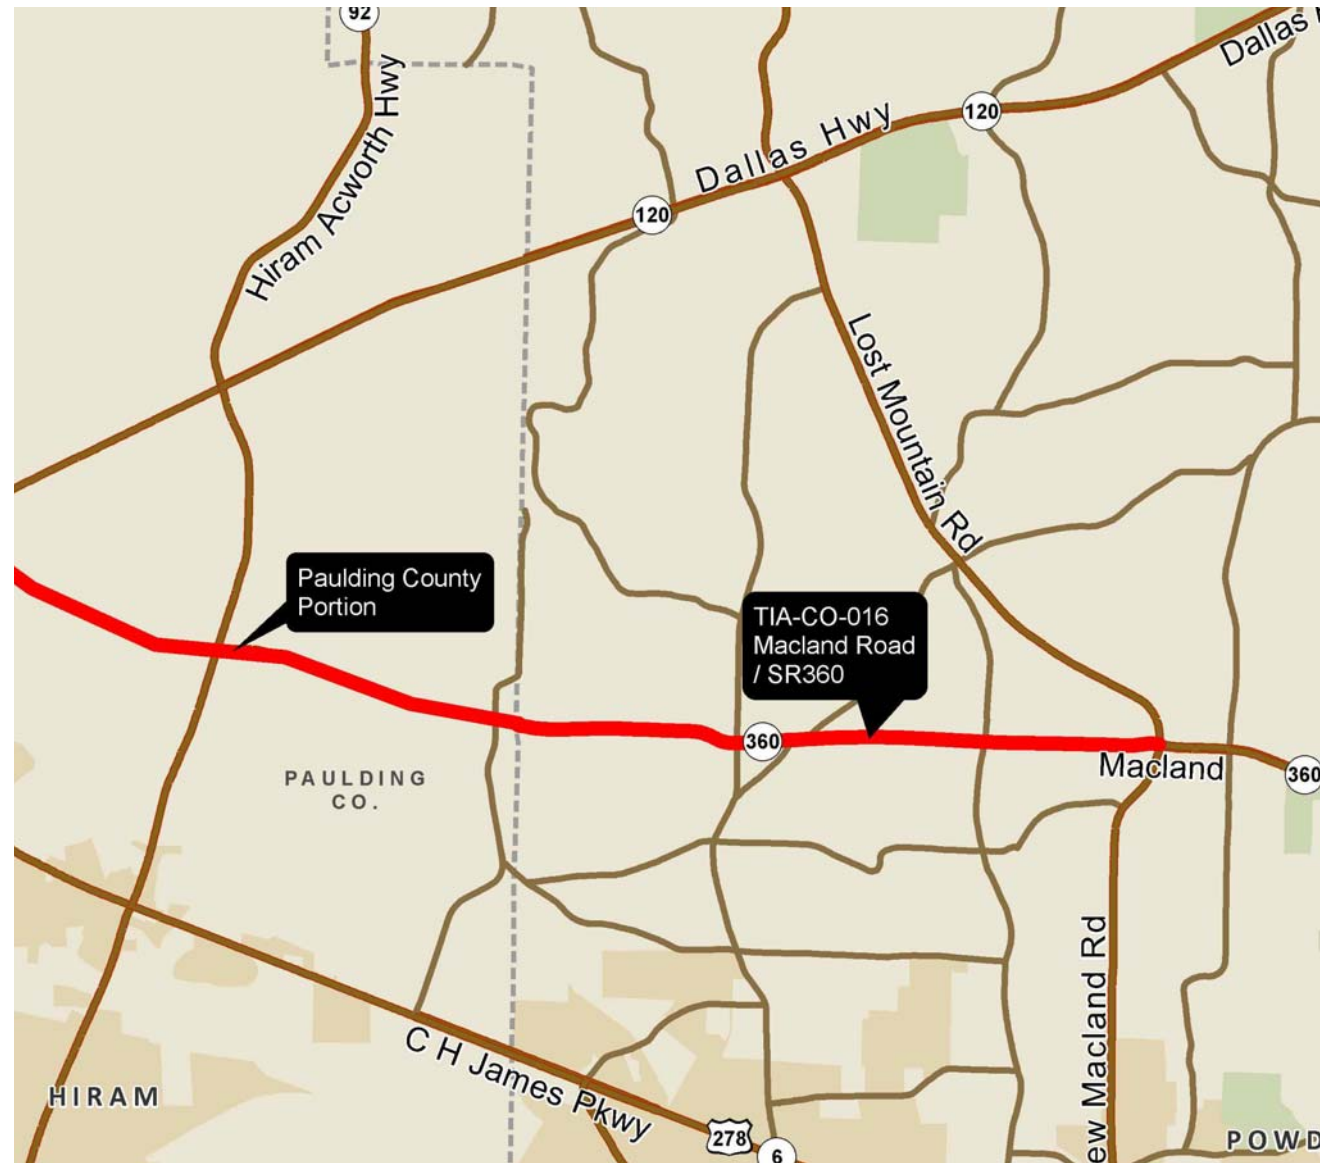

Macland Road

- **Connects:**
 - ✓ Paulding County
 - ✓ West Cobb
 - ✓ Powder Springs

with Windy Hill Road and I-75 East Cobb

- **Widen to 4 lanes (median divided) to improve traffic congestion and safety**

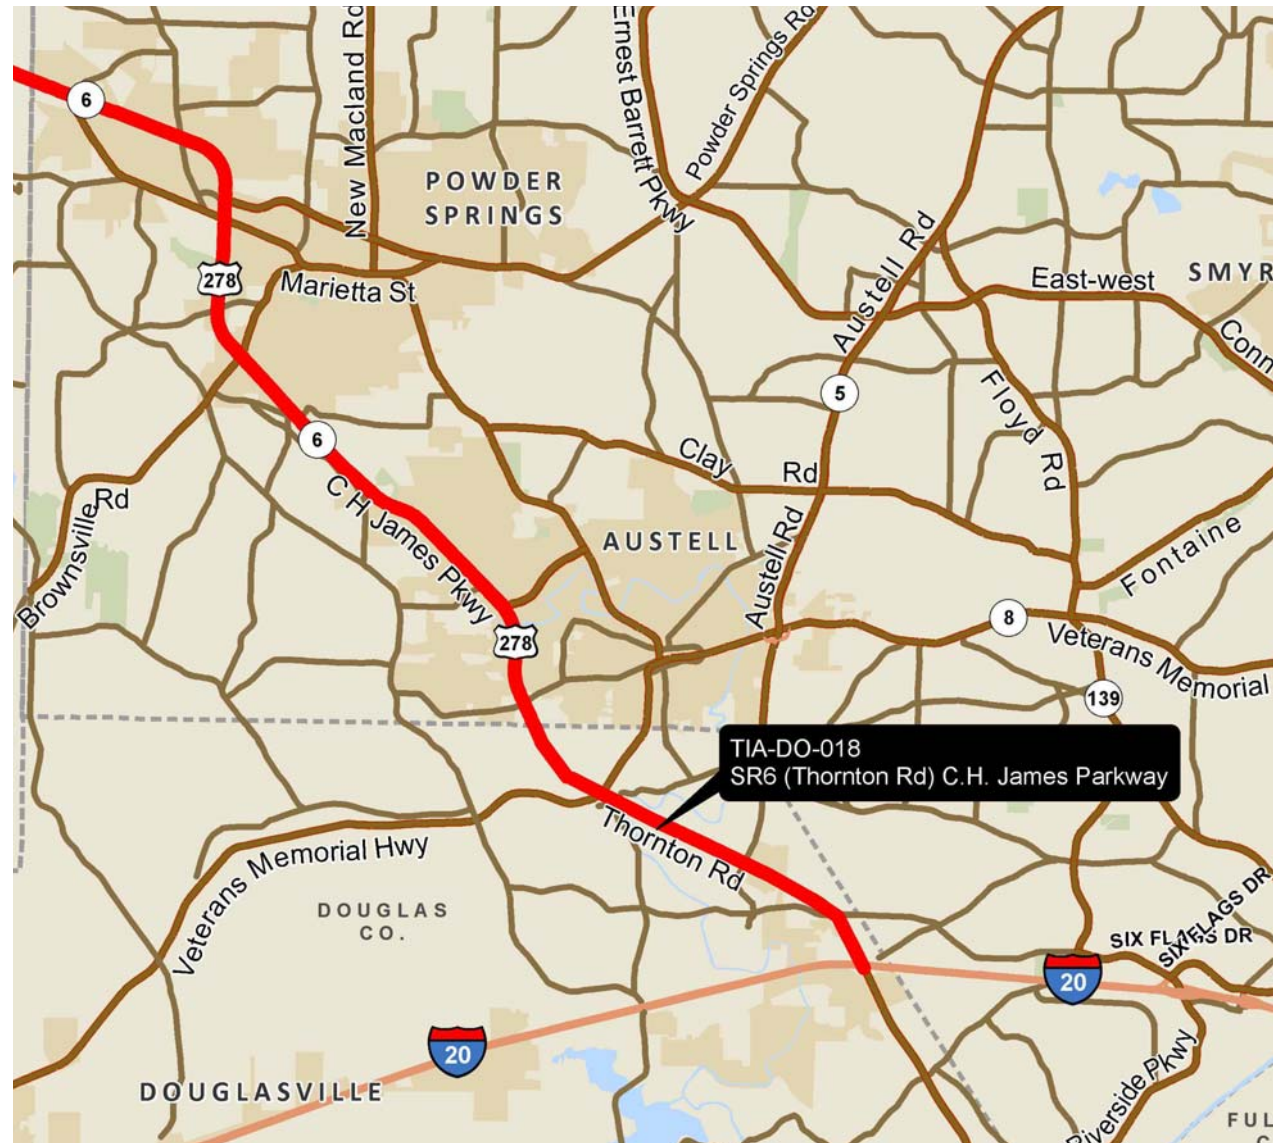

SR 92 Lake Acworth Drive

- Improves congested portion of SR 92 from Cobb Parkway to Cherokee Street/Glade Road
- Major regional highway connecting Paulding County and Northwest Cobb with I-75 and Acworth
- Widen to 4 lanes (median divided) to improve traffic congestion and safety

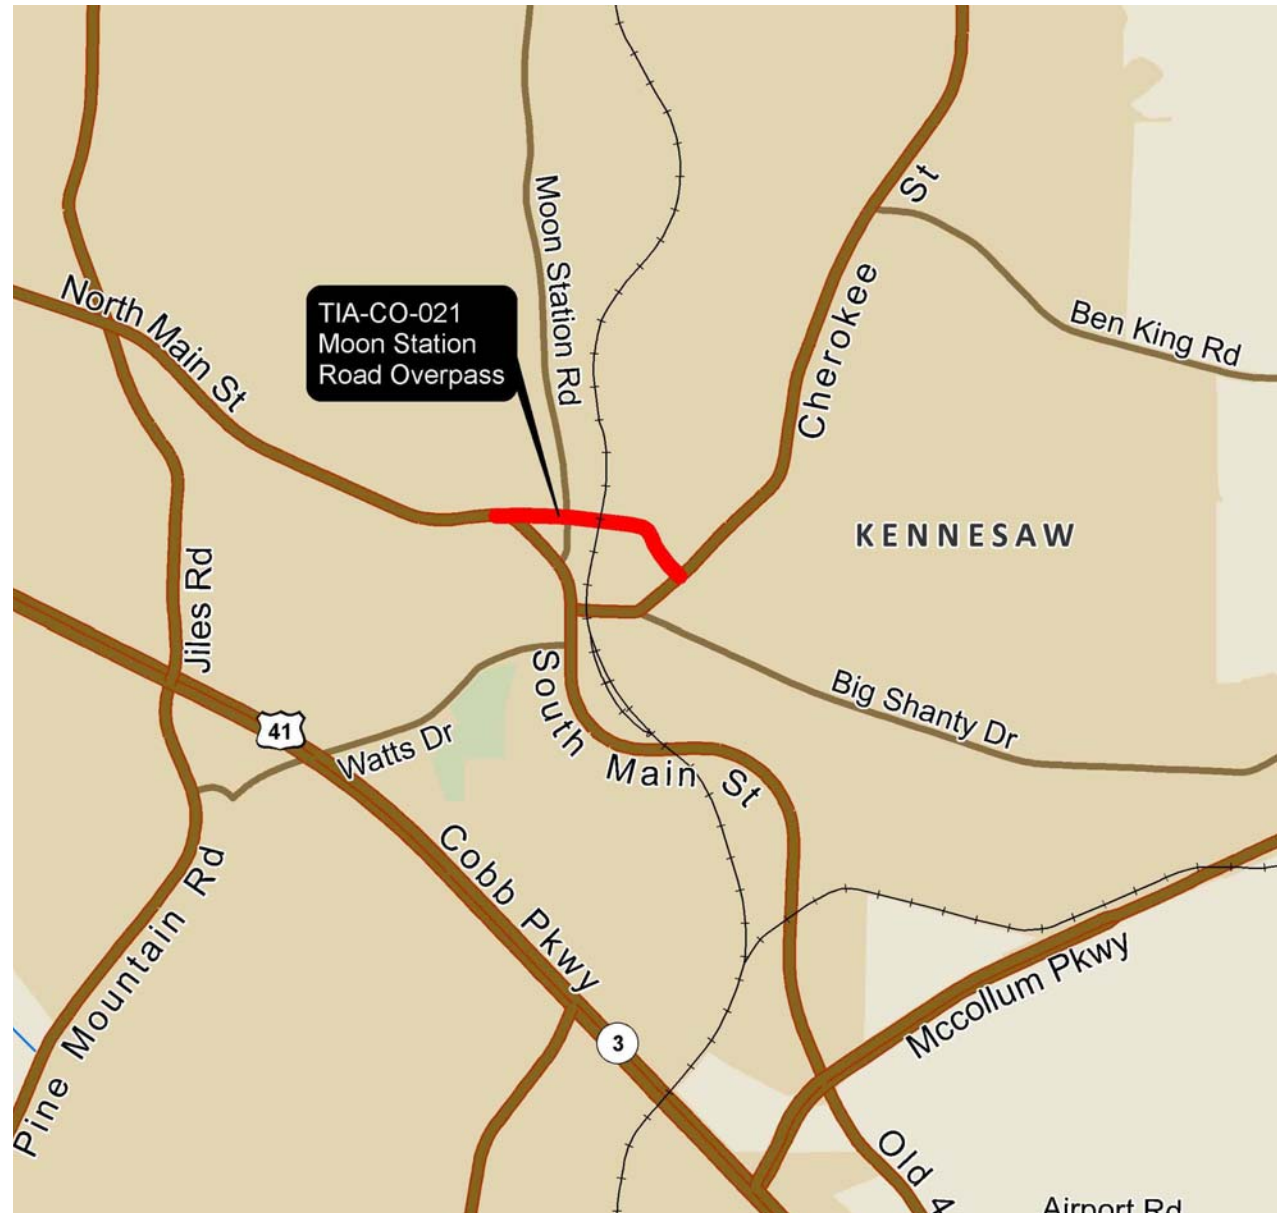

SR 6 Thornton Road C.H. James Pkwy

- Joint Douglas County/
Cobb County project
- Whitaker Intermodal
Facility – heavy
freight traffic to I-20
- Widen from 4–6 lanes
- Project reduces traffic
congestion and
improves freight
movement

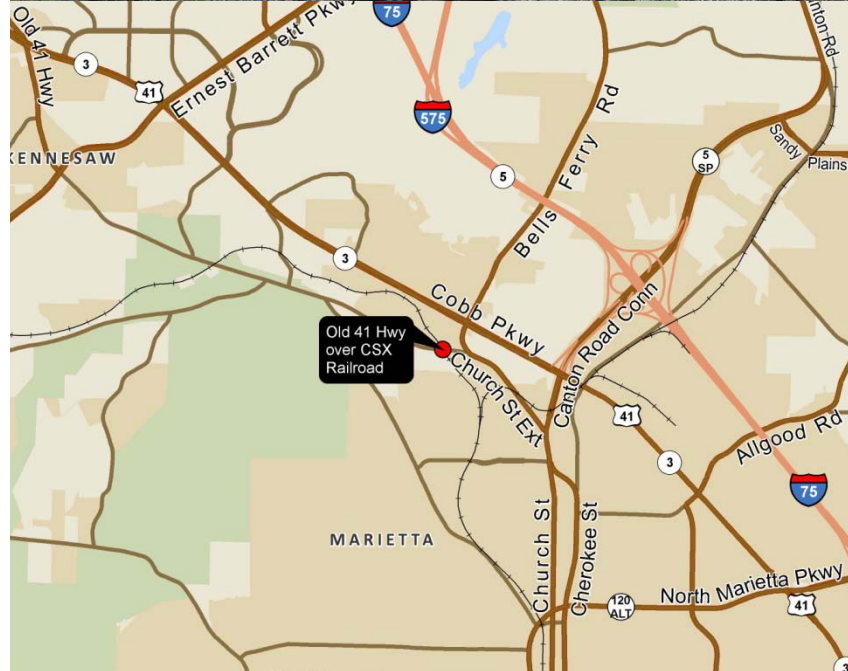

Kennesaw Moon Station Road Overpass

- CSX Rail line thru Kennesaw averages over 50 trains daily
- Grade separation eliminates at-grade crossing delays and safety issues

Old Hwy 41 Bridge Replacement at CSX

- Local (15%) joint project – Marietta and Cobb County
- Weight restricted bridge in a major industrial/rail area
- Project corrects operational and safety issues
