Detailed Description and Justification

This project will involve providing a grade separation at the intersection of SR 316 and SR 81 with SR 81 raised over SR 316. Continuous flow along the mainlines of each highway will be provided and movement between facilities will be by ramps. This project will also include a bridge on SR 81 with one through lane and one turn lane in each direction with 6-foot wide sidewalks on each side over SR 316.
