**Existing Thru Lane**

**Planned Thru Lane**

**Network Year**

**Corridor Length**  miles

#### Detailed Description and Justification

This project will reconstruct the interchange to improve turning movements and transition from I-285 East to I-75 South. Currently, there is a tight right turn. This project would improve the turning movement and provide for longer taper ramps allowing for safer transitions from one freeway to the other.

Phase Status & Funding Information		Status	FISCAL YEAR	TOTAL PHASE COST	BREAKDOWN OF TOTAL PHASE COST BY FUNDING SOURCE			
					FEDERAL	STATE	BONDS	LOCAL/PRIVATE
