

Short Title	SR 16 FROM I-85 SOUTH TO US 29 SOUTH
GDOT Project No.	0006877
Federal ID No.	CSSTP-0006-00(877)
Status	Programmed
Service Type	Roadway / General Purpose Capacity
Sponsor	Coweta County
Jurisdiction	Coweta County
Analysis Level	In the Region's Air Quality Conformity Analysis
Existing Thru Lane	2
Planned Thru Lane	4

Network Year

Corridor Length miles

Detailed Description and Justification

This project will involve adding one general purpose lane in each direction and a center turn lane along SR 16 from I-85 South to US 29 South. Improvement to this segment of the transportation grid will complete a major north/south connector between SR 34 and US 29 South. This segment of the facility is the final connection of the eastern bypass around Newnan and will include improvements at the existing intersection of SR 16 East and US 29 North. It is being coordinated with the extension of the bypass from SR 16 to Turkey Creek Road (CW-007).
