

Short Title

BIG CREEK PARKWAY PLANNING STUDY

GDOT Project No.

0012630

Federal ID No.

N/A

Status

Programmed

Service Type

Other / Planning

Sponsor

City of Roswell

Jurisdiction

Fulton County (North)

Analysis Level

Exempt from Air Quality Analysis (40 CFR 93)

Existing Thru Lane

N/A

Planned Thru Lane

N/A

Network Year

2015

Corridor Length

N/A miles

Detailed Description and Justification

This project continues work being done as part of the Big Creek Parkway connection between Exits 7 and 8 on SR 400. The planning study would look at potential connections from the new Big Creek Parkway (currently in design) and North Point Parkway to the east and Mansell Road to the west. The new parallel connection concepts came from the Big Creek Bridge Road Planning Study performed by the City in 2009-2010. The possible future construction of these roadways, which are not funded under this planning effort, would continue parallel routes to SR 400 connecting Forsyth County to the City of Roswell. The project is being funded under the Roadway Operations and Safety Program, a regional program defined in PLAN 2040 to make smaller-scale improvements along existing roadways which are the most critical for cross-jurisdictional travel. With the exception of certain systemwide programs with broad benefits across a defined geographic area, eligibility under this program is limited to facilities on the Regional Strategic Transportation System, with additional priority given to those also identified as a Regional Thoroughfare. A continuous travel corridor parallel to SR 400 would provide an alternate route to both SR 400 and SR 9, a Level 2 Regional Thoroughfare to the west.

Phase Status & Funding Information	Status	FISCAL YEAR	TOTAL PHASE COST	BREAKDOWN OF TOTAL PHASE COST BY FUNDING SOURCE			
				FEDERAL	STATE	BONDS	LOCAL/PRIVATE
PE STP - Urban (>200K) (ARC)		2014	\$350,000	\$280,000	\$0,000	\$0,000	\$70,000
			\$350,000	\$280,000	\$0,000	\$0,000	\$70,000

SCP: Scoping PE: Preliminary engineering / engineering / design / planning PE-OV: GDOT oversight services for engineering ROW: Right-of-way Acquisition
 UTL: Utility relocation CST: Construction / Implementation ALL: Total estimated cost, inclusive of all phases
