Network Year	2030
Corridor Length	N/A miles

Detailed Description and Justification

This project will improve the interchange at Roswell Road and I-285 from Lake Placid Drive to Cliftwood Drive. The project replaces the existing bridge over I-285 to accommodate 2 left turn lanes in each direction on Roswell Road at the interchange. The project proposes a raised median, bike lanes and 8' sidewalks. No through lane capacity will be added to Roswell Road.
