Network Year

2020

Corridor Length

0.9 miles

Detailed Description and Justification

This project consists of constructing a new two-lane locally-classified roadway along US 78 between Hewatt Road and Britt Road within the city limits of Snellville to preserve capacity along US 78. The proposed road alignment was selected to avoid residential or commercial displacements. This project will begin approximately 430 feet north of the intersection with US 78 and Hewatt Road, and proceed east following the existing funeral home driveway for 0.16 miles before continuing on the new roadway alignment for 0.16 miles to Parkwood Road. It will then continue east on the new roadway alignment for 0.52 miles to Elmwood Circle and then follow 0.07 miles of existing roadway to Britt Road. Pedestrian safety would be provided via sidewalks, pedestrian crossings, pedestrian refuge islands, and landscaped buffers.

Phase Status & Funding Information		Status	FISCAL YEAR	TOTAL PHASE COST	BREAKDOWN OF TOTAL PHASE COST BY FUNDING SOURCE
