Detailed Description and Justification

This project will provide east-west access between Clayton County and SR 155. It relieves a bottleneck created at the Campground Road/SR 42 intersection, as a result of the reverse angle. The extension also aims to relieve congestion on SR 42. The project involves a widening from 2 to 4 lanes of Jodeco Road from Meadowbrook Drive to Peach Drive. From this point, a 4 lane cross section will be provided along Peach Drive northward, then along new alignment east to tie into the existing Campground Road at the intersection with Brannan Road.
