## Detailed Description and Justification

This project includes widening Cedarcrest Road from SR 92 to Seven Hill Extension from two lanes to four lanes to improve traffic flow. This project is an extension of a current Cobb County project to widen Cedar Crest Road to US 41/Cobb Parkway. New sidewalks, crosswalks, landscaping, and pedestrian scale lighting will be included as part of this project. The goal of this project is to alleviate current severe congestion levels and to improve the pedestrian network.
