Detailed Description and Justification

This project is the widening and reconstruction of Old Covington Highway from Green Street to SR 20/138. The purpose of this project is to provide improvements along Old Covington Highway and reconnect Old Covington highway underneath SR 20/138 to provide an alternative route for vehicles crossing SR 20/138 and improve safety and operations at this intersection. The construction proposes to extend Old Covington Highway under SR 20/138 and widen and reconstruct Old Covington Highway. Portions of the project will include sidewalks.
