## Detailed Description and Justification

This project will provide an alternative route for traffic from south Rockdale County to and from the major traffic generators (Wal-Mart and Home Depot) on the north side of I-20. The connection will relieve the traffic demand at the intersection of Dogwood Drive and SR 20/138 and will provide a detour routing traffic when the interchange of I-20/SR 20/138 is constructed. This project also includes the existing section of Salem Gate Drive down to the intersection with Old Salem Road.
