Milton – Thursday, May 20th, 6-8pm

City Hall Council Chambers, 13000 Deerfield Parkway, Suite 107E, Milton, GA 30004

The purpose of the North Fulton Comprehensive Transportation Plan is to provide the foundation and framework for multimodal, multijurisdictional infrastructure, and policy recommendations across the distinctive cities of Alpharetta, Johns Creek, Milton, Sandy Springs, Roswell and Mountain Park. The resulting document, *TRIP (Transportation Resources Implementation Program)*, will guide the accomplishment of this effort in accordance with community visions and priorities. The program will recommend roadway, transit, bicycle, pedestrian, safety, operational, demand management, and freight improvements while keeping in balance environmental, land use, and market considerations.

Event sponsored by the Atlanta Regional Commission and each local municipality.

For further information contact the Project Manager, Ed Ellis, at 404-419-8700.
